Central Europe Connect Joint Certificate Program

PROGRAM ELEMENTS AT A GLANCE

- A program in English with focus on international business in the context of Central Europe
- Three one-week courses within one semester at three renowned universities
- 20 bachelor's students from each university study and work together on projects in intercultural teams
- Sightseeing tours, case studies, project work provide practice insights and social events enrich the local experience
- An interactive approach and work in teams form the starting point for a network of Central European talents

COURSE STRUCTURE

Three courses form the core of Central Europe Connect. While the program was jointly developed, experienced faculty from each university delivers the courses:

- **BRATISLAVA: Structural Dynamics in Central European Economies (4 ECTS Credits)**, March 8 – 14, 2020
- **VIENNA: Strategies and Management for Central Europe (4 ECTS Credits)**, March 29 – April 4, 2020
- **WARSAW: Marketing resources and consumer behaviour in Central Europe (4 ECTS Credits)**, May 10 – 16, 2020

Award in total 12 ECTS Credits

2nd cohort - Bratislava Course Week

PARTICIPANTS

Bachelor students (II and III year) with an excellent command of English, outstanding study performance and interest to study in multicultural group.
